

ACTIVITY & IMPACT REPORT 2023–2026

AuroMira Care Foundation
Small Acts of Kindness.
Meaningful Change.

At AuroMira Care Foundation, we believe that meaningful change begins with compassion and a willingness to make a difference. Our initiatives focus on healthcare, education, child welfare, elderly care and community well-being, with particular emphasis on supporting individuals and families from underserved communities.

From preventive healthcare programmes and educational assistance to improving living spaces and creating moments of joy, our efforts are guided by a simple belief: every act of kindness matters.

This report presents a glimpse of our activities, collaborations and community outreach initiatives from 2023 to 2026.

Meet the Founders

AUROMIRA CARE FOUNDATION

Dr. Aparna Govil Bhasker & Mr. Balamurugan Bhasker Canagaradjou

AuroMira Care Foundation was established with a shared belief that compassion, empathy and social responsibility can bring meaningful change to people's lives.

Dr. Aparna Govil Bhasker, a senior laparoscopic and bariatric surgeon, brings her experience in healthcare and her commitment to improving lives through preventive health initiatives, education and community welfare.

Mr. Balamurugan Bhasker Canagaradjou, co-founder of the Foundation, shares a deep commitment to philanthropy and community service, actively supporting its initiatives and outreach activities.

Together, they envision a Foundation that reaches beyond individual acts of charity to foster a lasting culture of kindness, dignity and giving.

“Making a difference, one life and one small act at a time.”

Food Distribution Initiative – KEM Hospital, Mumbai

AUROMIRA CARE FOUNDATION | OCTOBER 2026

Activity Overview

AuroMira Care Foundation sponsored and participated in a food distribution initiative for 150 relatives and caregivers of patients admitted at KEM Hospital, Mumbai, in collaboration with With Aarya, an NGO that has been providing meals twice daily for the past 10 years.

Objective

To support families caring for hospitalized loved ones by providing nutritious meals and easing some of their daily challenges.

Impact

- 150 individuals served.
- Supported an established community food distribution programme.
- Reinforced the Foundation's commitment to compassion, dignity and community welfare.

Support for Elderly Residents – Jivan Asha Old Age Home, Andheri West

AUROMIRA CARE FOUNDATION | 2 OCTOBER 2026

Activity Overview

AuroMira Care Foundation visited Jivan Asha Old Age Home, Andheri West, and donated adult diapers to support the daily care and hygiene needs of elderly residents. The visit also provided an opportunity to spend meaningful time interacting with residents and understanding their experiences.

Objective

To contribute to the comfort, dignity and well-being of elderly individuals while promoting compassionate community engagement.

Impact

- Provided essential hygiene supplies for residents.
- Encouraged social interaction and emotional connection with the elderly.
- Recognised and supported the dedicated caregivers and staff of the old age home.

National Deworming Day – 14th Deworming Drive AUROMIRA CARE FOUNDATION | 11 AUGUST 2026

Activity Overview

On the occasion of National Deworming Day, AuroMira Care Foundation conducted its 14th deworming drive, benefiting 50 children at Sona Sarovar Trust. This initiative is part of the Foundation's longstanding commitment to preventive healthcare for children from underserved communities.

Objective

To prevent intestinal worm infections and associated complications, including anaemia, nutritional deficiencies and impaired growth, thereby supporting children's overall health and development.

Impact

- 50 children received deworming treatment.
- Successfully completed the Foundation's 14th deworming drive.
- Promoted preventive healthcare among vulnerable children.
- Reinforced the Foundation's sustained commitment to improving child health through regular community-based interventions.

Creative Art Workshop – St. Jude India ChildCare Centres, Parel AUROMIRA CARE FOUNDATION | 2 AUGUST 2026

Activity Overview

AuroMira Care Foundation organised a bag-painting workshop for children undergoing cancer treatment and their caregivers at St. Jude India ChildCare Centres, Parel, Mumbai. The two-hour interactive session provided an opportunity for creative expression, relaxation and joyful engagement for families navigating prolonged cancer treatment.

Objective

To promote emotional well-being, creativity and social interaction among children undergoing cancer treatment and their families through art-based recreational activities.

Impact

- Engaged children and caregivers in a creative and interactive workshop.
- Provided moments of joy, relaxation and emotional respite during challenging treatment journeys.
- Encouraged self-expression, creativity and positive social interaction.
- Supported St. Jude's mission of providing holistic care to children with cancer and their families.

Educational Support – School Fee Assistance

AUROMIRA CARE FOUNDATION | 1 AUGUST 2026

Activity Overview

AuroMira Care Foundation extended financial assistance towards the school fees of two children at the beginning of the academic year. This initiative reflects the Foundation's commitment to supporting education and creating opportunities for children to pursue their academic aspirations.

Objective

To reduce financial barriers to education and enable children to continue their schooling, fostering learning, confidence and long-term personal development.

Impact

- Supported the educational expenses of two children.
- Helped reduce the financial burden on beneficiary families.
- Contributed towards educational continuity and equal opportunities for learning.
- Reinforced the Foundation's commitment to empowering children through education.

Note: The accompanying image is AI-generated to protect the identity and privacy of the beneficiaries.

Music and Recreational Support – St. Jude India ChildCare Centres, Parel AUROMIRA CARE FOUNDATION | 3 APRIL 2026

Activity Overview

AuroMira Care Foundation visited St. Jude India ChildCare Centres, Parel, Mumbai, and donated a keyboard piano along with individual gift hampers for the children undergoing cancer treatment. An interactive music session was organised, during which the children were introduced to basic keyboard notes, creating an atmosphere of joy, learning and togetherness.

Objective

To promote emotional well-being, creativity and recreational engagement among children undergoing cancer treatment, offering moments of happiness and relief during challenging treatment journeys.

Impact

- Donated a keyboard piano for continued recreational and musical activities.
- Distributed individual gift hampers to the children.
- Engaged children and caregivers in an interactive music-learning session.
- Supported the holistic well-being of children and families through music and positive social interaction.

Community Outreach – Distribution of Food and Art Kits AUROMIRA CARE FOUNDATION | 22 MARCH 2026

Activity Overview

AuroMira Care Foundation initiated a community outreach activity to distribute food kits and art kits to individuals and families in need encountered on the streets of Mumbai. Essential supplies and basic art materials were kept in vehicles for distribution during daily travel.

Objective

To provide immediate assistance to vulnerable families while encouraging creativity among underprivileged children.

Impact

- Distributed food kits containing essential supplies (approximately ₹500 each).
- Provided art kits to encourage creativity among children (approximately ₹150 each).
- Promoted compassion and individual participation in everyday community welfare.

Sometimes, it's not about how much we give—
it's about choosing not to look away.
Small acts can make a big difference
in someone else's day.

Recreational Visit – St. Jude India ChildCare Centres, Parel AUROMIRA CARE FOUNDATION | 15 MARCH 2026

Activity Overview

AuroMira Care Foundation visited St. Jude India ChildCare Centres, Parel, Mumbai, and spent time engaging with children undergoing cancer treatment. The visit included informal games, cricket and recreational interactions, creating an atmosphere of joy and togetherness.

Objective

To provide emotional support, companionship and moments of happiness to children and families navigating cancer treatment.

- Engaged children in cricket and recreational activities.
- Encouraged social interaction, play and emotional well-being.
- Supported St. Jude's efforts to provide a nurturing and positive environment for children undergoing treatment.

Educational Infrastructure Support – Sona Sarovar Trust AUROMIRA CARE FOUNDATION | 28 FEBRUARY 2026

Activity Overview

AuroMira Care Foundation donated a blackboard, wall clock and essential classroom materials to Sona Sarovar Trust to strengthen basic educational infrastructure and support everyday teaching and learning activities.

Objective

To improve the classroom environment by providing essential teaching resources that encourage structured learning, discipline and effective classroom management.

Impact

- Provided essential classroom equipment and educational supplies.
- Supported teachers in conducting structured learning activities.
- Helped create a more organised and conducive learning environment.
- Reinforced the Foundation's commitment to improving educational opportunities for underserved children.

Essential Hygiene Support – Infant Care Home

AUROMIRA CARE FOUNDATION | 19 FEBRUARY 2026

Activity Overview

AuroMira Care Foundation donated 300 diapers to a child care home supporting infants under one year of age. The initiative aimed to address essential hygiene needs and assist caregivers in providing a clean, comfortable and nurturing environment for the infants.

Objective

To promote infant hygiene, health and well-being by ensuring access to essential daily care supplies.

Impact

- Donated 300 diapers for infants under one year of age.
- Supported daily hygiene and comfort needs of vulnerable infants.
- Helped reduce the burden of essential supplies on caregivers.
- Reinforced the Foundation's commitment to early childhood health and welfare.

13th Deworming Drive – Oshiwara Slum Community

AUROMIRA CARE FOUNDATION | 19 FEBRUARY 2026

Activity Overview

AuroMira Care Foundation conducted its 13th deworming drive, reaching 90 children in the Oshiwara slum community, in collaboration with Sona Sarovar Trust. This initiative forms part of the Foundation's ongoing commitment to preventive healthcare among underserved children.

Objective

To reduce intestinal worm infections and associated complications, including anaemia, nutritional deficiencies, impaired growth and reduced concentration.

Impact

- Provided deworming treatment to 90 children.
- Successfully completed the Foundation's 13th deworming drive.
- Promoted preventive healthcare among children in underserved communities.
- Reinforced the Foundation's commitment to sustained community-based child health initiatives.

Educational Support – Student from Secunderabad
AUROMIRA CARE FOUNDATION | 12 NOVEMBER 2025

Activity Overview

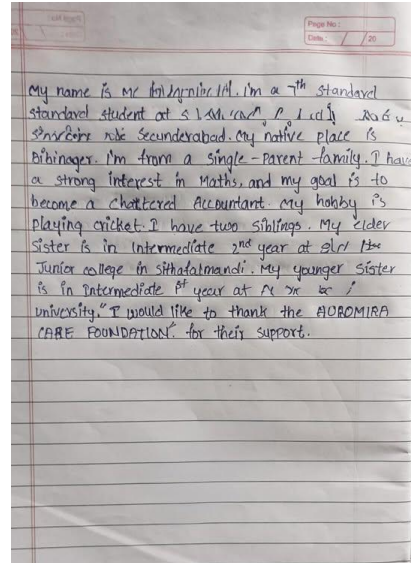

AuroMira Care Foundation, in collaboration with Dr. Siddharth Rao, extended educational support to a deserving student from a single-parent family in Secunderabad. The student demonstrated a strong interest in Mathematics and aspired to become a Chartered Accountant.

Objective

To support educational aspirations of children from financially challenged backgrounds and enable them to pursue their academic and professional goals.

Impact

- Provided educational assistance to a deserving student.
- Encouraged continued learning and academic development.
- Supported the student's aspiration for a professional career.
- Reinforced the Foundation's commitment to educational empowerment and equal opportunities.

Birthday Celebration and Distribution of Steel Tiffins – Sona Sarovar Trust

AUROMIRA CARE FOUNDATION | 12 SEPTEMBER 2026

Activity Overview

AuroMira Care Foundation continued its annual tradition of celebrating Arvin's birthday with children at Sona Sarovar Trust, Mumbai. As part of the initiative, steel tiffin boxes were donated to the children, along with spending time interacting and celebrating with them.

Objective

To provide useful everyday essentials to children from underserved communities while fostering values of compassion, generosity and social responsibility.

Impact

- Distributed reusable steel tiffin boxes to children.
- Encouraged hygienic food storage and sustainable everyday practices.
- Created opportunities for joyful interaction and community bonding.
- Promoted the spirit of giving and social responsibility among the younger generation.

12th Deworming Drive – Sona Sarovar Trust AUROMIRA CARE FOUNDATION | AUGUST 2025

Activity Overview

AuroMira Care Foundation successfully conducted its 12th deworming drive, benefiting 100 children at Sona Sarovar Trust, Mumbai. This initiative forms part of the Foundation's longstanding commitment to preventive healthcare for children from underserved communities.

Objective

To prevent intestinal worm infections and associated complications, including anaemia, nutritional deficiencies and impaired growth, thereby promoting better health and development among children.

Impact

- Provided deworming treatment to 100 children.
- Successfully completed the Foundation's 12th deworming drive.
- Supported preventive healthcare among underserved children.
- Strengthened the Foundation's longstanding partnership with Sona Sarovar Trust.

Educational Support – Stationery Distribution for Children AUROMIRA CARE FOUNDATION | 11 SEPTEMBER 2025

Activity Overview

As part of an annual initiative supported by AuroMira Care Foundation, Arvin contributed a portion of his pocket money towards providing stationery supplies to 100 children at the beginning of the academic year. This initiative reflects a commitment to supporting education and encouraging philanthropy from an early age.

Objective

To provide essential learning materials to children from underserved communities while fostering generosity, empathy and social responsibility among the younger generation.

Impact

- Provided stationery supplies to 100 children.
- Supported children's educational needs at the beginning of the academic year.
- Encouraged a culture of giving and personal responsibility among young individuals.
- Continued an annual tradition of supporting education through meaningful contributions.

10th Deworming Drive – Oshiwara Slum Community

AUROMIRA CARE FOUNDATION | 13 MARCH 2025

Activity Overview

AuroMira Care Foundation successfully conducted its 10th deworming drive in February 2025, benefiting 100 children from the Oshiwara slum community, in collaboration with Sona Sarovar Trust.

Objective

To prevent intestinal worm infections and associated complications, including anaemia, nutritional deficiencies and impaired growth, thereby improving children's overall health and development.

Impact

- Provided deworming treatment to 100 children.
- Successfully completed the Foundation's milestone 10th deworming drive.
- Supported better nutrition, growth and health through preventive care.
- Strengthened the Foundation's ongoing collaboration with Sona Sarovar Trust.

Transformation of Child Care Institute – Solapur, Maharashtra

AUROMIRA CARE FOUNDATION | 10 MARCH 2025

Activity Overview

AuroMira Care Foundation successfully undertook the renovation and transformation of a common hall shared by boys' and girls' Child Care Institutes (CCIs) in Solapur, Maharashtra, benefiting approximately 70 children aged 6–16 years. With the support of donors and Catalysts for Social Action (CSA), the dilapidated hall was repaired, repainted and transformed into a vibrant multipurpose learning and activity space.

Objective

To create a safe, welcoming and stimulating environment that promotes education, creativity, recreation and holistic development for children living in institutional care.

Impact

- Renovated and revitalised a common facility benefiting approximately 70 children.
- Created a colourful, multipurpose space for learning, recreation and creative activities.
- Improved the physical environment and facilities available to children.
- Demonstrated the impact of collaborative community support in strengthening child care infrastructure.

Reading and Recreational Support – Special Care Unit for Senior Citizens, Khar West

AUROMIRA CARE FOUNDATION | 2 FEBRUARY 2025

Activity Overview

AuroMira Care Foundation donated a book rack to the Special Care Unit for Senior Citizens in Khar West, Mumbai, supporting the creation of an accessible reading space for elderly residents. The initiative was facilitated by Ms. Manjusha Joshi.

Objective

To encourage reading, mental stimulation and recreational engagement among senior citizens, promoting emotional well-being and healthy ageing.

Impact

- Provided a dedicated book rack to support reading activities.
- Encouraged intellectual engagement and meaningful leisure among elderly residents.
- Contributed towards creating a more enriching and comfortable living environment.
- Reinforced the Foundation's commitment to elderly care and well-being.

Children's Health Screening and Blood Testing Drive – Oshiwara

AUROMIRA CARE FOUNDATION | 18 AUGUST 2024

Activity Overview

AuroMira Care Foundation organised a blood testing drive for 65 children from the Oshiwara slum community, in collaboration with Orange Labs and Sona Sarovar Trust. The initiative focused on preventive healthcare and early identification of potential health and nutritional concerns.

Objective

To facilitate early detection of health issues, assess nutritional status and establish baseline health records for children from underserved communities.

Impact

- Conducted blood tests for 65 children.
- Facilitated screening for potential health and nutritional deficiencies.
- Supported the creation of baseline health profiles for future monitoring.
- Strengthened collaboration with Orange Labs and Sona Sarovar Trust to improve access to preventive healthcare.

9th Deworming Drive – Oshiwara Slum Community AUROMIRA CARE FOUNDATION | 19 AUGUST 2024

Activity Overview

AuroMira Care Foundation successfully conducted its 9th deworming drive, providing treatment to 100 children from the Oshiwara slum community, in collaboration with Sona Sarovar Trust. The initiative was part of the Foundation's ongoing commitment to preventive healthcare for underserved children.

Objective

To prevent intestinal worm infections and associated complications, including anaemia, nutritional deficiencies and impaired growth, thereby supporting children's overall health and development.

Impact

- Provided deworming treatment to 100 children.
- Successfully completed the Foundation's 9th deworming drive.
- Supported improved nutrition, growth and well-being through preventive healthcare.
- Strengthened the Foundation's longstanding collaboration with Sona Sarovar Trust.

Educational Support – School Transportation Sponsorship

AUROMIRA CARE FOUNDATION | 7 AUGUST 2024

Activity Overview

AuroMira Care Foundation has been sponsoring school bus fees for a girl student for five consecutive years, supporting her educational journey through Grade 9. The initiative addresses transportation-related financial barriers that can prevent children from attending school regularly.

Objective

To ensure continuity of education for children from financially disadvantaged backgrounds by providing sustained support for essential school transportation.

Impact

- Provided five years of continuous school transportation sponsorship.
- Supported the student's regular access to school and progression to Grade 9.
- Helped reduce the financial burden on the student's family.
- Reinforced the Foundation's commitment to long-term educational support and equal opportunities.

Educational Support – Stationery and Art Supplies Distribution

AUROMIRA CARE FOUNDATION | 27 JULY 2024

Activity Overview

AuroMira Care Foundation distributed pens, coloured pencils, crayons and drawing books to 100 children in collaboration with Sona Sarovar Trust. The initiative was supported by Arvin through a personal contribution from his pocket money, continuing an annual tradition of giving at the beginning of the academic year.

Objective

To provide essential educational and creative materials to underserved children while encouraging generosity, empathy and social responsibility among the younger generation.

Impact

- Provided stationery and art supplies to 100 children.
- Supported learning and creative expression at the beginning of the academic year.
- Encouraged youth participation in philanthropy and community service.
- Continued the Foundation's commitment to educational empowerment and child development.

Educational and Sports Development Support – Nashik, Maharashtra AUROMIRA CARE FOUNDATION | 13 DECEMBER 2023

Activity Overview

AuroMira Care Foundation sponsored the tuition fees of Ms. Shruti Pandey for her Bachelor of Physical Education (B.P.Ed.) degree. Shruti has been actively training underprivileged tribal children in athletics in the Nashik region, with several of her students qualifying for state-level sports competitions.

Objective

To support the professional development of a dedicated sports educator while creating greater opportunities for children from underserved tribal communities through athletics.

Impact

- Provided financial assistance towards a professional degree in physical education.
- Supported the career advancement of a grassroots sports educator.
- Indirectly contributed to sports training and development opportunities for tribal children.
- Promoted sustainable community empowerment through education and sports.

Medical Assistance – Support for Chronic Illness AUROMIRA CARE FOUNDATION | 29 SEPTEMBER 2023

Activity Overview

AuroMira Care Foundation extended financial assistance for essential medications to a woman living with a chronic medical condition requiring lifelong treatment. Facing unemployment and limited family support, the beneficiary required sustained assistance to manage her healthcare needs.

Objective

To ensure continuity of essential medical treatment for financially vulnerable individuals living with chronic illnesses.

Impact

- Provided financial support for essential long-term medications.
- Helped reduce the financial burden of ongoing medical treatment.
- Committed to continued assistance for the beneficiary's healthcare needs.
- Reinforced the Foundation's commitment to accessible healthcare and compassionate community support.

Community Meal Initiative – Sona Sarovar Trust

AUROMIRA CARE FOUNDATION | 19 SEPTEMBER 2026

Activity Overview

AuroMira Care Foundation organised a special lunch for 110 children, in collaboration with Sona Sarovar Trust. The initiative aimed to provide a wholesome meal while creating an opportunity for joyful interaction and community engagement.

Objective

To support the nutritional needs of children from underserved communities while promoting compassion, inclusion and social well-being.

Impact

- Sponsored and organised lunch for 110 children.
- Encouraged social interaction and a sense of community.
- Strengthened the Foundation's ongoing partnership with Sona Sarovar Trust.
- Reinforced its commitment to child welfare and community outreach.

Educational Support – Notebook Distribution

AUROMIRA CARE FOUNDATION | 18 SEPTEMBER 2026

Activity Overview

As part of AuroMira Care Foundation's commitment to education and community welfare, Arvin contributed three months of his pocket money towards donating notebooks to children in need, with the support of Sona Sarovar Trust. His initiative was recognised with a certificate of appreciation.

Objective

To provide essential educational materials to underserved children while encouraging empathy, generosity and social responsibility among the younger generation.

Impact

- Donated notebooks to support children's educational needs.
- Encouraged youth-led philanthropy and personal initiative.
- Promoted the values of kindness, compassion and community service.
- Recognised and celebrated social responsibility among young individuals.

Vocational Education Support – Fire Safety Diploma

AUROMIRA CARE FOUNDATION | 4 AUGUST 2026

Activity Overview

AuroMira Care Foundation extended financial assistance to a 15-year-old Grade 10 student from an economically disadvantaged family to pursue a diploma in Fire Safety. Despite significant financial challenges and family medical expenses, the student demonstrated exceptional determination to continue his education and build a stable career.

Objective

To support vocational education and skill development among deserving students, enabling them to pursue employment opportunities and achieve financial independence.

Impact

- Provided financial assistance towards a Fire Safety diploma course.
- Supported vocational training and career development.
- Helped reduce financial barriers to professional education.
- Promoted long-term financial independence and family empowerment through education.

Our journey of compassion and community service continues.

The activities highlighted in this report represent only a part of the work undertaken by AuroMira Care Foundation. Over the years, we have supported several more individuals, families and communities through initiatives in healthcare, education, child welfare and social support.

Many of these efforts may be small in scale, but each represents an opportunity to make a meaningful difference in someone's life.

We remain committed to reaching more people, building meaningful partnerships and continuing our journey of giving.

Together, we can make kindness a way of life.

With gratitude to everyone who has supported and been part of our journey.
